THORZT

HYDRATING HARD WORK

THORZT is a great tasting, scientifically proven mix of cutting-edge branch chain amino acids, combined with magnesium and a formulated blend of electrolytes for optimum hydration in all conditions, and the new addition of B and C group vitamins.

Designed to maintain mind and body function at a cellular level, THORZT can boost your physical and mental potential, relieve muscle pain, cramps and spasms, reduce anxiety and sleep disturbance and improve the body's stress response.

THORZT COOLERS

Independent testing showed THORZT coolers were able to maintain superior cooling results compared that of other brands on the market. Testing for up to 8hrs at 40 deg heat, the temperature in the coolers rose by less than 1°C. THORZT's unique insulation properties were able to deliver superior results, keeping your fluids cooler for longer.

FEATURES:

- Robust design with wide base for stability
- Superior insulation to maintain coolness
- Impact resistant exterior
