Description

150mm lace and zip-up ankle boot with padded collar and tongue.

Upper Materials

Premium pathogen and water resistant fullgrain waxy leather, helps to repel bacteria and stop nasty bugs from multiplying. Agion® lining with anti-microbial resistance to improve hygiene and contains anti-fungal properties.

Toe Cap

Non Safety.

Lining Materials

Agion® lining with anti-microbial resistance to improve hygiene, contains anti-fungal properties and reduces foot odour.

Full Innersole

A full length footbed that is inserted into the footwear to offer additional support and comfort. This footbed is made from soft polyurethane that will retain its shape and thickness throughout the life of the boot.

Insole

Heavy-duty, flexible anti-bacterial non-woven insole.

Midsole

Directly moulded Polyurethane midsole for greater shock absorption.

Outsole

Oil and acid resistant nitrile rubber outsole. Heat resistant to 300°C.

Trisole™ Comfort Technology Soling System

The Steel Blue soling system is a patented three density soling system that offers a high level of comfort, shock absorbency and energy return. The system uses PORON® as energy absorbing pads under the pressure points of the foot to give the wearer superior comfort and offers similar shock absorbency and comfort to sports footwear.

Anti-Static

Water Resistant
